Illness/Injury

Children sustaining minor injuries such as scratches, scrapes, insect bites, etc. will be cared for. Parents are notified for more serious injuries or illnesses, including anytime a child bumps and/or injuries to the head area, even if the child appears to be fine. If immediate medical attention is deemed necessary, I authorize staff to call 911 for medical assistance and, do hereby authorize qualified medical personnel to provide care for my child. Staff does not hospital, if possible, and I understand that I will be responsible for any and all medical cost incurred. My child is covered by (name of family insurance) _____, policy number _____.

Describe the applicant's abilities/difficulties in the following areas (included assistance required or equipment needed):

Psycho/Social Function (i.e. unusual behavior, leisure interests, support systems, companion animals, fears, or concerns, etc.)

Physical Function (i.e. Mobility skills such as walking, transfer, riding)

This Health History is correct so far as I know, and the person herein described has permission to engage in all prescribed activities except as noted. Exceptions:

Describe special needs and/or limitations that would prevent full participation in program activities:

Participation: Participants must remain with their group and will be encouraged to participate in all activities, including outdoor and indoor games, crafts, and other planned activities. **Drop off/pickup** at Denny Terrace Community Center Gym. Drop off between 8:30am-8:45am and pick up at 12:30pm.

Daily Sign-In, Sign-Out, and Communication with Parents: When participants arrive or leave the sites, parents or authorized person, must sign the participant in each morning and then sign them out when picking them up in the afternoon. Only those authorized on the registration form are allowed to pick up participants from the camp, so make sure you list all those you would call upon if an emergency arose and help was needed. **Late supervision fee:** \$5 will be charged for each fifteen minute period the participant is not picked-up after 12:30pm.

What to Wear and Bring: Participants should wear play clothing and also bring caps, sunscreen and water bottles. Please remember to clearly write the child's name on each item they bring to the camp, snack, and any medicine that needs to be given.

What Not to Wear or Bring: Children will be playing and doing crafts, so do not wear expensive clothing or open toed shoes. Also, personal items such as jewelry, cell phones, trading cards, hand held games, etc, should not be brought. The recreation commission, PAALS staff, and other participants and parents are not responsible for missing items or items that are accidentally damaged while participating at the camp.

Discipline Procedures: Staff will make every effort to handle discipline problems constructively and positively, and most problems are simply handled by 'talking' with the child and possible usage of a short 'time-out'. Serious behavior problems which affect other participants, the staff, or the overall program, will be documented and discussed with parents. When warranted, parents must pick up their child immediately if called by staff. In addition, serious behavior problems, or continuation of problems, could result in the child being dismissed from the program. If non-parents are picking up a child, details of the problem will be discussed with them and they would be expected to inform the parents.

Furthermore, counselors will never use any form of corporal punishment- physical and or bodily force-when disciplining a child. Physical force includes, but is not limited to, spanking, slapping, shaking, etc. Other examples of discipline never used in Recreation Commission programs include: depriving of food, water, or bathroom usage; unsupervised isolation; improperly restricting movement, or unusually long 'timeouts'.

Field Trip:

One field trip will be taken during the week. Transportation will be provided by Richland County Recreation Commission.

I do give my

I do not give my

Consent to and authorization for my child to participate in the field trip.

Photo Release:

I do give my

I do not give my

Consent to and authorize the use and reproduction by Richland County Recreation Commission, PAALS, and local media the use of any and all photographs and any other audio/visual materials taken of me for promotional material, educational activities, and exhibitions or for any other use for the benefit of the program.

I am enrolling (participants name)_____ in the Richland County Recreation Commission's Summer Program and agree to abide by these guidelines and others as set forth by the Recreation Commission and the Summer Staff. I fully understand that children's play activities are always susceptible to a certain amount of risk, and therefore, I agree to not hold the Richland County Recreation Commission, Program and Park Staff, and other participants and their parents liable for accidents and injuries resulting during my child's participation
